1. COURT HOLIDAY – LABOR DAY

The Hamilton County Municipal Court will observe the Labor Day holiday on Monday, September 3, 2012. Room “A” will be open in the morning only; all other courtrooms will be closed. Juvenile Court will also be closed.

Police Officers are reminded to not issue citations requiring a court appearance on this date.

2. PREMIER ONE RECORDS MANAGEMENT SYSTEM UPGRADE

On Friday, August 17, 2012, the Premier One Records Management System (RMS) will be upgraded to a new version. The benefits of the upgrade will bring new functionality to the users and present a crisper look. This upgrade is expected to take several days.

In order to reduce the impact on Department personnel, much of the upgrade will occur on the following Saturday and Sunday. However, the RMS is expected to be down from Friday, August 17, until Wednesday, August 22, 2012. Users need to be logged out of the RMS by 1200 hours on Friday, August 17, 2012.

In the event users have reports that need to be entered into the RMS they should document the incident on paper and then enter the reports into RMS beginning on Wednesday, August 22, 2012. Any information entered during this planned down time will not be saved and must therefore be reentered. Direct all questions to Lieutenant Lee Carmichael, Special Projects Unit, at 263-8080.

Dear Lt. Col. Whalen:

I am pleased to issue this letter of commendation for your outstanding leadership during the 2012 World Choir Games. This event was a monumental undertaking requiring considerable planning and detailed execution. The coverage, performance, and adaptability of the officers under your command, including Captain Kim Frey, illustrated that the Cincinnati Police Department was well prepared. The officers - whether on foot, horse, Segway, or bicycle - were shining examples of ambassadors imparting helpful information and providing a sense of security.

I am a firm believer that leadership is crucial if organizations are to be successful. Yours shone throughout the Games, and because of it our hosting opportunity was an unparalleled success. Congratulations and thank you!

Sincerely,

Dear Captain Frey:

I am pleased to issue this letter of commendation to you for your exemplary service in helping the City of Cincinnati prepare for and host the 2012 World Choir Games. You exhibited meticulous planning, flexibility, and strong leadership in responding to every contingency that presented itself. This event was an extraordinary opportunity for our city, and because of your performance in tandem with the women and men under your command we demonstrated a high degree of competence, professionalism, and diplomacy.

I have heard rave reviews about the Cincinnati Police Department's role in the Games. That is a testament to your leadership and bodes well for the community as it labors to convince other organizations to visit Cincinnati, where hospitality thrives.

Thanks again for all of your efforts.

Chief Craig,

First of all I would like to welcome you to Cincinnati. I'm sure you will find our city a wonderful place to live. I know you hear from a lot of people who are unhappy about our police department so I thought I would let you know about someone who is happy with the response I received from your department.

We have been having a problem with thefts from cars in our neighborhood a lot recently. So much that we all have decided to leave our cars unlocked instead of replacing windows on a regular basis. I sent an email to captain Neville asking him for some help. The next night I got a call from a sergeant who said he was outside of my house and would be in the area all night. The day after that I got a call from another sergeant offering advice on how to not be a target and asking a lot of questions about what was going on and how they could help. Since that time I have noticed an increase in police patrols on our street. I really appreciate all of the response to a problem that is small in comparison to what you have to deal with everyday. All of the officers I spoke with were very professional and considerate. As a citizen of Cincinnati I am proud to have such a responsive and professional police force. Captain Neville and his staff should be commended for their concern for our neighborhood!

Thank You!

I came away so
impressed! Thank You.

Cincinnati, July 10th, 2012.

Dear Sergeant Sutter,

I wanted to thank you for the time you spent with me today, and for the work that went into organizing the "Police Chief for a Day" program for me. I know a number of other people were involved, and I hope you will transmit my gratitude for taking time out from their vital work to talk to me and show me a little of what they do. The fact that I hardly noticed the time go by indicates that I was obviously enjoying myself and that the program was flawlessly organized.

I am also grateful for the plaque, oath of office certificate and the photographs which will serve as great reminders of an excellent day spent among Cincinnati's finest.

As I mentioned to you, please feel free to contact me whenever you feel my Spanish or Portuguese skills may be volunteered to the Cincinnati Police Department. I have a fairly flexible schedule and will help any way you feel I, or my wife, Melanie Healey, may be able. In addition I urge The Cincinnati Police Department to continue to support JDRF through the "Police Chief for a Day" program. It is a truly outstanding idea.

Finally, on a personal note, I wanted you to know it was pleasure to meet you and learn of your background. Your international experience is most interesting and unusual!

Thank You,

Bruce A. Healey

LETTER OF APPRECIATION

July 20, 2012

Dear Chief:

Please allow me to take this opportunity to extend my heartfelt thanks and appreciation to the following police personnel assigned to Cincinnati Police - District 4:

Sergeant Tim Ksayer, Officers Dave Hunter, Brent Adams, Ryan Olthaus and Doug Smith

On the afternoon of Friday, June 22, 2012, the Xavier University Police Department received an urgent request to respond to a felony theft in progress at the Schmidt Fieldhouse, located at 3908 Winding Way on the campus of Xavier University.

According to several students, a suspect entered the women's locker room on the 3rd floor of the building and absconded with a purse, credit cards, a cell phone and several set of keys.

With the assistance of electronic technology, one of the victims was able to track the location of her cell phone – which at the time was moving south-bound on Reading Road in District 4. A Xavier officer quickly responded to the area and observed a suspect fitting the description enter a Metro Bus heading south on Reading Road. The Xavier officers radioed the information to the Xavier Dispatch who in turn requested the assistance of Cincinnati Police Officers. Approximately ½ mile off-campus the suspect exited the Metro (near Forrest Ave.) and fled onto a side-street and into an adjacent back yard. Again with the assistance of cell phone technology, and the Cincinnati Police Officers listed above, the suspect was located and taken into custody by Xavier/Cincinnati Officers. I happened to be at the scene, and I was extremely proud of the way our two agencies worked together – it was truly a team effort. The suspect (who has an extensive criminal record) was taken into custody without incident and transported to the Hamilton County Justice Center for processing. ALL of the stolen property was recovered and returned to several grateful victims.

Your officers responded quickly, and handled the situation with the utmost professionalism and interagency respect.

Please extend my thanks and gratitude for a job Well-Done; please let the officers know that their efforts and professionalism were greatly appreciated by Xavier University!

Respectfully yours,

Mike Couch

Dear Captain Neudigate,

I am writing to praise the excellent job the officers of District 5 performed during a robbery at our home in Northside. On Friday June 29, 2012 around 12:15 pm., I surprised two juveniles in the act of robbing our home on Westmoreland Avenue. As I pulled up in my car the pair evacuated the house and ran across the back lawn onto Pullan Avenue. I immediately called the police and waited in the driveway of our home. A female officer (whose name I did not get) was first to arrive followed by another female officer with the K-9 Unit. These women did an excellent job in securing the house and keeping me calm. Additional officers arrived and at that point I was told the possible suspects had been caught near Colerain Avenue pending positive identification. The suspects were apprehended by Officers Jay Kemme and John Nigman. I was informed one of the suspects had stolen and had in possession, a loaded hand gun from our home. Upon hearing this information I was quite alarmed, yet very thankful the officers reacted as fast as they did to catch the pair and secure the weapon. The entire event seemed to last 10 minutes from the time I called police.

We have since attended juvenile court with the officers and the teens involved are awaiting sentence. During our time in court, Officer Jay Kemme, Officer John Nigman, and Detective Kelly Jackson were present and offered kindness and support. Our sincere appreciation and gratitude go out to them and the other responding officers who helped us on that day. Thank you for a job well done and for keeping Northside safe.

Best,
Stephanie Winters & Jeffrey Hinkle

Dear Chief Craig:

I would like to thank you for allowing me to serve as a student intern with the Public Information Office in the Cincinnati Police Department. The experience I have gained through this internship is a valuable component to my education and also to my career. I have learned a lot through experiencing the operations of a police department in such a short time.

With the opportunity to work in the Public Information Office, I have learned how important the relationship between the news media and a police force is. Working with the social media has also been a fulfilling experience, simply by way of getting positive feedback from citizens on posts. The department staff, one you must be very proud of, was also very helpful in answering any questions that I had and giving me career advice.

Interning with the Cincinnati Police has given me valuable insights and experience that will be an incredible asset to my future. Working in the department has solidified my goals in the criminal justice field. Once again, thank you for providing me this opportunity.

Sincerely,

Dear District One Officers,

On July 13th the parish was honored to host a World Choir Games Friendship Concert that drew a capacity crowd to Holy Cross - Immaculata. From the pre-planning and organization, arrival of guests, concert, reception, and clean-up, all facets of the event went very smoothly and the evening was a great success not just for Holy Cross - Immaculata but all of Mt. Adams. Such a successful event could not have materialized without the help of many people. You are receiving this letter as a sign of gratitude for your personal self-sacrifice that contributed to the overall success of the World Choir Games Friendship Concert held at Holy Cross - Immaculata. On behalf of the entire parish community, please know that your efforts did not go unnoticed and were most assuredly deeply appreciated.

Thanks again for your role in helping our parish once again demonstrate our 150 year tradition of serving the greater Cincinnati community.
